How To Install Point On Multi-Systems Under One User Account

1. Log into mycalyx.com
2. Click on **Manage Point** Installations

The screenshot shows the MyCalyx web interface. At the top, there is a navigation bar with the Calyx Software logo on the left and user information on the right, including 'Kalus Mortgage LLC', 'Welcome Scott', 'My Profile', and 'Log Off'. Below the navigation bar is a dark blue header with the 'MyCalyx' logo and four main menu items: 'Distribution', 'Version Control', 'License Renewal', and 'Account Management'. The main content area features a section titled 'Electronic Deployment of Point® is at Your Fingertips'. This section contains a paragraph of text, a 'Getting Started' button, and a 'PointCentral®' section. The 'PointCentral' section includes a small image of a woman, a description of the service, and three buttons: 'Manage Point Installations' (highlighted with a red box and a red arrow), 'Download Server Software', and 'MyCalyx Digital Key'. At the bottom of the page, there is a footer with copyright information and links for 'Home', 'Terms of Use', and 'Privacy Policy'.
